Senator Gene Therriault Endorses Binkley for Governor

Republican Sen. Gene Therriault added his name to the list of Interior leaders who endorse John Binkley for Governor.

“John’s background in business and his understanding of the legislative process gives him the tools necessary to serve Alaskans as governor from day one,” Sen. Therriault said.

Therriault, who represents Senate District F, serves on the Senate Budget & Audit Committee and the Senate State Affairs Committee. He is a former Senate President who has been actively involved as a legislative leader in gas pipeline issues.

Therriault cited Binkley’s knowledge and experience as an important factor in his ability to move Alaska forward as Governor.

He recognizes the tremendous opportunity the gas pipeline project presents—not just a one-time construction boom, but an opportunity to transform our economy,” Therriault said.
